SPECIFICATIONS - MOVEMIA TR800 TREADMILL

- **Aluminum and high-strength ST52 steel structure**, with high-end finishings for all the internal components.
- **ABS plastic cover**, painted with the same technology used in the automotive industry for a greater durability and resistance.
- **Pro Tonic damping system with 10 shock absorption points. Technology for maximum back and joint protection.** Our technology absorbs the strongest impacts, offering a controlled tread. It adapts to the natural tread of the user, reducing fatigue and protecting the joints.
- **HST Phenolic Resin Deck.** MOVEMIA Treadmills include a revolutionary combination of belt and deck with HST Phenolic wax unique on the market that provides a maintenance free system, and eliminates the need of lubrication during 2 years.
- **Emergency Stop button linked to a cable.**
- **Heart rate sensors located on the handlebar**, very accurate and large for ease of use.
- Telemetric heartrate monitor by chest strap, compatible with the most common solutions sold in the market (chest strap not included).

**CONSOLE**

- **Monitor:** The 16" DOT MATRUX screen with top LED display shows graphically the progress of the exercise. The lower alphanumeric display gives indications to the user before and during the exercise.
- **Programs:** 1 Manual, 8 programs with predefined profiles and 4 levels of difficulty each, Program with user-configurable profile, Male Test, Female Test, Constant Heart Rate Program, Heart Rate Control Program (HRC), fitness test. .
- **Displayed information:** Speed, distance, time, calories burned, pulse rate, programmes, exercise profile, level and incline.
- **Emergency button and automatic power stop system.**
- **Auto-generated monitor:** It offers the greatest possible flexibility to the managers. Treadmills require an electrical connection to power the motor.
- **User friendly:** Designed to make it easy for users to get the most out of it right out of the box. Intuitive display with large buttons for quick identification.
- **Accessories:** Headphone jack and USB port for charging mobile devices.
